Properties Information	[3]	[3]	[3]

Requested Settings Notification ^[4]

Enable ☒

Apply New Properties

Restore Properties

Note :

[1] The Lockout Interval prevents duplicate Notifications from being sent within the specified period. This Lockout Interval does not affect the Periodic Notification

[2] Multiple E-mail addresses are separated by a ";"

[3] Properties Information is only available when the Message Format on the Server Page is set to MIME, HTML.

[4] The Requested Settings Notification is requested by E-Mailing a message to the printer with the Subject "REQUEST SETTINGS". The settings will then be returned to the senders E-Mail address. The Message Format used is MIME, HTML.

To specify the language of the report, the "REQUEST SETTINGS" string can optionally be followed by a 2 character string defined as follows :-

EN = English
IT = Italiano
DE = Deutsch
FR = Français
ES = Español
PT = Português
